**Juanita Deaver** is a Staff Attorney in the I-140 and AOS Department, where she assists clients in the middle and later stages of the green card process.

Juanita earned her J.D. from South Texas College of Law Houston in May 2021. As a law-student, Juanita interned at a non-profit organization where she discovered her passion for immigration while working on family-based cases helping file I-130 petitions and I-485 adjustments of status. During her time at South Texas, she further pursued her interest in the field of immigration law through enrollment in the school's Immigration Clinics where she worked on TPS, T visas, and DACA cases. Her experience working with families and clients in emergency situations has provided Juanita the tools and experience to provide clear and concise explanations to the seemingly daunting immigration process.

Juanita joined Reddy & Neumann as a law clerk in December 2019. While clerking, she gained valuable experience by working closely under attorneys from each of the firm's departments on drafting successful requests for evidence, appeals, motions to re-open, and through legal research on immigration matters. Juanita understands that every case is unique and hopes to provide each client with a better understanding of the ever-changing immigration process.
